SMALL BOY IS FATALLY SHOT BY COMPANION

Five Lads Smuggled Rifles With Fatal Ending

YOUTH IS EXONERATED

In Handling Weapon Trigger Tripped, Say Witnesses

While five thoughtless boys, whose ages ranged between 14 and 15, were playing in a shed near The Albertinum School laundry, death waited to strike. The lads had two 22-caliber rifles which, unknown to the school authorities, they had gotten from outside sources. The boys, some of whom were planning country vacations, it is believed had gotten the rifles to use on their trip.

How It Happened.

Firearms are strictly prohibited from school premises. Joe Aragon, the stories all the boys told, was handling one of the rifles and, while holding the weapon in his hands in front of him, the lad, not knowing the gun was loaded, tripped the trigger and sent a high-powered bullet through the body of George Smith, a youth 15 years old.

No Autopsy Necessary.

At the coroner's inquest all the surviving members of the party were examined and all said Joe Aragon was holding the loaded rifle at arm's length with one finger on the trigger and it was accidentally discharged. The bullet entered George Smith's body on the left side and probably struck some vital organ. It was not considered necessary to have an autopsy.

Lived Several Hours.

The victim was rushed to Ukiah General Hospital and Dr. J. H. Hanson summoned and he gave first aid. The boy died some hours later and the remains were prepared for burial and shipped to his home in Oakland.

The Jury's Verdict.

The coroner's jury after considering the facts a few minutes brought in a verdict George Smith died from gunshot wound but did not place responsibility.

WAS SUICIDE THE AFTERMATH OF FALL INTO CANYON HORROR?

Friends Believe L. C. Starr, Willits Instructor, May Not Have Recovered From Recent Frightful Ordeal

MOB ACTIVITY

A mob set upon a Filipino workman employed at the Upper Lake Cannery Saturday night and badly beat him. The Islander had been warned to leave the county. He was driven across the Lake county line and, at present, is in the Mendocino county infirmary under doctor's care. There have been several racial clashes in Lake county this season.

Special Correspondence of The Press

WILLITS, June 20.—L. C. Starr, 25, instructor in agriculture at the Willits high school, was found dead in his cabin Wednesday afternoon. He had been living at an auto court and B. C. Nolan, who has an adjoining cabin, made the discovery.

No Known Cause.

It was a case of suicide, but the motive is not known as Mr. Starr's work at the high school had been satisfactory and he had been employed for the coming term. The previous day he had been discussing school work with Roy Good and seemed to be cheerful and looking forward to the next year's activities. In suiciding Mr. Starr used a 30-30 rifle, the bullet entering below the chin, blowing the top of the head off. Death was instantaneous, local officers said after making an investigation.

Had Fine Background.

Mr. Starr was a graduate of Pasadena Junior College, U. C. at Berkeley, the State Agricultural College at Davis and the Polytechnic Institute at San Luis Obispo. This was his first school and Mr. Starr proved to be very satisfactory and was liked by both pupils and faculty. His parents were notified and the remains were prepared for burial and shipped to the south.

It Might Be This.

In looking for a possible cause for the rash deed it was recalled that, a year ago, when returning home late from the Ukiah Fair, Mr. Starr ran off the grade near the summit and fell into the canyon quite a distance. He was rendered unconscious and it was about 12 hours later he was rescued. It is possible he then received head injuries from which he never fully recovered and in a sudden spell of dementia the rash act was committed.

The Frontier Days.

Our Frontier Days celebration is now just two weeks off and about everything to make it a full success has been attended to. Excellent rodeo stock has been engaged and the attractions arranged for.

The Jumping Brahma.

This year a giant Brahma steer named "Silver Dollar" will be one of the stellar attractions. The steer has been trained to leap over an automobile and is owned by the Acme Brewing Company. The steer is loyal to his owners and after each performance is given a liberal allowance of Acme beer, of which he is very fond. Silver Dollar was one of the attractions at the World Rodeo at the San Francisco Exposition recently.

SUPERVISORS HAD MEETING

Lake County Officials Visited With The Local Board

Among the items in the proceedings of the board of supervisors last week were: Clyde Edmondson, general manager of the Redwood Empire Association, reported on Association activities and Federal and State legislation relative to highways.

He Cited Dangers.

Frank W. Reynolds, former county assessor told of the serious tax delinquencies all over California and said the increased taxes were undermining the attractiveness and desirability of ownership.

Want To Know.

The new suspension bridge across Eel river, the other side of Potter Valley, will be open to travel shortly and the supervisors want to know the safe weight trucks can be allowed to haul over it. A resolution was adopted asking the State Department of Public Works to hold a formal hearing and decide this matter. Some owners of sugarpine timber on San Hedrin wish to haul logs over it and the engineers must fix the weight as soon as possible.

Wants Higher Salary.

Chas. Kasch, chairman of the probation committee, asked the board to fix the salary of the county probation officer at $150 per month. The request was taken under advisement.

Adjusted Timber Tax.

The board met as a board of equalization to adjust taxes on certain timber lands belonging to the Crocker First National Bank of San Francisco.

Went To Funeral.

The board adjourned for one hour Tuesday afternoon to attend the funeral of the late Dr. S. L. Rea as he was county health officer and superintendent of the county farm and hospital some years.

Okayed Sale.

The board confirmed the sale of a lot in Fort Bragg to James Holmes for $100.

Want Road Relief.

Carl Purdy and his attorney, James Pemberton, requested the county to take over the private road leading to The Terraces and Eight Mile Valley road. This place is visited by people from all over the world and is not in the same class as other private roads. The matter was taken under advisement.

Would Abandon Roads.

Petitions were presented asking abandonment of portions of Fish Rock and Hibberd roads at Yorkville. The matter will be taken up at the meeting July 11 after the legal requirements have been attended to.

Sale Is Ordered.

The Willits property of the late William Foord was ordered sold.

To Accept Steel.

The board agreed to accept the material from the steel truss bridge across Russian river, near Hopland on the terms and conditions required by the Department of Public Works.

Had A Discussion.

Wednesday afternoon all the supervisors of Lake county, their relief agent and two members of the present grand jury in addition to William Davis, Welfare Director, Auditor Paul Mathews and District Attorney James E. Busch of Mendocino county, held an informal discussion relative to relief problems.

Set Burial Fee.

The board fixed the pay for burial of indigents at $35 each, plus 10 cents per mile beyond the seven mile radius from the place of business of the funeral director. All funerals must be first approved by the Welfare Director. Burials to be entirely financed by county or the county will not participate.

Road Specifications.

The County Surveyor was instructed to prepare a statement setting forth road requirements for construction, reconstruction and maintenance of the county road system for the fiscal year beginning July 1, 1939.

MEMBER OF AN OLD MENDOCINO FAMILY HELD IN DEATH PUZZLE

Raymond Cox, One-Time Cigar Store Owner Of Ukiah Accused Of Brutally Beating A San Francisco Woman

Raymond Cox, a former resident, is being held in the San Francisco jail while a woman's murder is being investigated. Mrs. Jessie Shoemaker died as a result of a terrific beating she received, and as Mr. Cox lived at the same address he is suspected of being guilty of the crime.

In Business Here.

Ray Cox was born and raised near Talmage and is a member of a highly respected family. He was of a roaming nature and about 25 years ago disposed of his ranch interests and moved to Ukiah and for several years conducted a cigar store that was located opposite the front entrance of the courthouse. When the building burned he moved to San Francisco but at that time strong drink had gotten the better of him and he has gradually gone from bad to worse. At the time of his arrest he was employed by the WPA and he denies having beaten Mrs. Shoemaker.

What City Paper Tells:

The San Francisco Call-Bulletin says of the case:

"Apparently the victim of a terrific beating, a 43-year-old San Francisco woman died at the San Francisco Hospital Thursday last, launching an intensive police investigation into events leading up to her death.

Frightfully Beaten.

"Her face bruised beyond recognition, the woman, Mrs. Jessie Shoemaker, 2140 Pine street, was taken to the hospital Monday night. Physicians said a fractured skull caused her death.

Ray Cox Held.

"Held for investigation, Raymond Cox, 50,a former Mendocino county prune rancher and friend of Mrs. Shoemaker, living at the same address, broke down in his city prison cell when informed of her death.

Denies The Charge.

"'Oh, my God!' sobbed Mr. Cox, sinking to his cot when informed of the death. A WPA worker, Mr. Cox, who said he lost his ranch due to drink in 1933, steadfastly denied beating Mrs. Shoemaker."

Perkins at an eight o'clock ceremony in the Presbyterian church Saturday evening at Santa Rosa. Dr. L. B. Hillis, of Berkeley, and Dr. E. E. Ingram, of Santa Rosa, performed the service.

L. E. HOAG IS LAID TO REST

Old-Time Resident Is Called Wednesday Morning

Death summoned another of Mendocino's oldest and most respected citizens Wednesday morning when Leslie Hoag, 86, pioneer rancher and nature lover, was called from labor here to peace on the other side. Almost up to the very end deceased retained his faculties and was interested in what was going on around him. Probably his great love of nature helped him to keep young for he watched flowers, trees and animal life grow and expand and he wrote very interesting articles on these subjects. Having learned so many of nature's secrets he realized "All that is born must die," and when the last call came he was ready for he had lived in harmony with nature and his fellow man and even looked forward with pleasure to the life beyond the grave.

Native Of Ohio.

Born in Lodi, Ohio, November 10, 1852, he was a small boy during the Civil War and retained a vivid recollection of those stirring times. He came to California first in 1873 and then returned to the east until 1878. Shortly afterwards he moved to Anderson Valley where he conducted a ranch successfully 40 years. In 1912 he moved to Ukiah and purchased the Edwards ranch near Orr's Springs which he managed five years and then retired from active ranch life but he continued his studies in nature in its various aspects.

Long In Lodge.

Leslie Hoag was probably the oldest Mason in Mendocino county and one of the very oldest in the state for he had been a member 60 years. Some time ago he was presented a Fifty-Years Medal with some others at a special meeting of Abel Lodge. After he moved to Ukiah he affiliated with the local lodge and his was a Masonic funeral. The ceremony was held at the Methodist church Friday afternoon with Rev. Mark Pike officiating and Cleland-Schamber Funeral Home in charge. Interment took place at the Ukiah cemetery and graveside ceremonies were conducted by officers and members of Abel Lodge. The pallbearers were Harry Shimmin, Capt. Auslin Rawles, Wm. Bromley, Harry M. Burke, C. A. Bernhard and Hale McCowen, Jr.

Was Public-Spirited.

Deceased had always taken a very active part in every civic undertaking and retained his membership in Anderson Valley Club up to the time of death. He was also a member of Kingsley Chapter, O. E. S., and other organizations. He was a director of Ukiah Farmers' Club.

Left Three Children.

Mr. Hoag and his devoted wife were parents of a family of three children while they lived in Anderson Valley but Mrs. Hoag passed over to the other side some years ago. The children are Dr. Carl L. Hoag of San Francisco, Dr. Foster M. Hoag of Spokane, Washington, and Miss Edith Hoag of Petaluma. There are five grandchildren.

The Grape Growers Planning A Picnic

One of the largest barbecue picnics in the history of the county is planned by Mendocino County Dry Wine Grape Growers Protective Association for July 30, to take place at Walitschek Grove, Redwood Valley. It is to be a benefit affair.

Misses Giovana and Yolanda Bricarelli and Joyce Poma are visiting Mrs. Mary Gomes, their aunt, in San Francisco.

MAN KILLED AS FISH CO. TRUCK AND CAR CRASH

Wrecking Crew Called To Extricate Victim From Wreck

TWO OTHERS INJURED

"Idaho" Stevens, Pugilist, Is Taken To San Francisco

An International Fish Co. truck driven by Vito Bologna, 28, of San Francisco, and a car driven by Wilbur Steving, also of San Francisco, had a half head-on collision on Redwood Highway, 15 miles north of Ukiah early Saturday morning. The fish truck was coming south and the car going north and they met on an outer curve near the Ridgewood ranch.

Three Were Injured.

The impact was so great Mr. Steving was pinioned between the steering wheel and the back of the seat until a wrecking truck arrived from Willits and released him. He was taken to Howard Memorial Hospital, Willits, and he has a crushed pelvis, broken left arm and other minor injuries. He was accompanied by a prizefighter who goes by the name of "Idaho Stevens" and the latter was brought to the Ukiah General Hospital for treatment and taken to San Francisco in an ambulance the following day. He has some head injuries. The third man in the car was Frank Shields, also of San Francisco, who escaped with a few cuts and bruises.

One Victim Dies.

Reports yesterday from Willits were Mr. Steving, while, at first thought to be seriously, but not fatally, hurt, suddenly took a turn for the worst and died early Tuesday morning.

Facts Not Learned.

Stories regarding the accident differ widely and the exact facts will not be developed until after the coroner's jury investigation and a further report by the Traffic squad.

DOGS' FRIEND SAVING THEM

Dr. E. C. Morris Does Effective Veterinary Work Past Week

A Shepherd dog in convulsions from strychnine poisoning was taken to Dr. E. C. Morris' pet hospital Thursday afternoon and, 24 hours later, was able to leave, apparently well, for which his owner, Val Peterson of Ward's meat department, is grateful. An effort is being made to trace the poisoner.

Dog's Eye Saved.

Another instance of efficacy of immediate attention to a hurt dog, was the saving of an eye for the fox terrier belonging to Elmer C. Greenleaf. Within a few minutes after the animal had been struck by a truck, one day last week, the right eye, which had been knocked completely out of the socket, was restored to its normal position by Dr. Morris, and in a short time healed perfectly.

THE MAN WHO WAS FIRED

HE CAME TO ME because he knew I knew his boss. He had been a janitor for a big store in San Francisco. I think he had worked there 21 years. Outside the store there was an imposing marquee. This he had always kept spotlessly clean. Of a sudden, one corner of the marquee assumed anything but a clean appearance. The grill was littered with leaves, twigs and string. The boss saw it and, probably his breakfast not setting well, fired my Irish friend. I happened to be coming by the store almost at the moment the janitor left his place and he pleaded with me to see "the old man." He told me the story and, when I saw how human it was, I agreed to step in. I talked to "the boss" and told him why the janitor had fallen down and, when I finished, "the boss" said he would take him back.

The reason my Irish friend had skipped the corner of the marquee arose from the fact a mother sparrow had made her nest in the corner and the janitor did not have the heart to break up her home—

I always go strong for offenders like that.

THREE FACED COAST JUDGE

Trinity Of Autoists In Drunken Driver Traffic Net

Traffic Officer Joe Randolph made three arrests at Fort Bragg last week on drunken driving charges. Ernest Dalin was apprehended after he ran into a ditch and broke off a telephone pole. Judge Gildersleeve fined him $200 and suspended his driver's license permanently for this was his second conviction on the same charge.

Cited To Appear.

William Johnson, taxi driver, was charged with reckless driving after he had driven his car into the hedge at the top of the hill near Noyo bridge. He has been cited to appear before the judge.

Put In Jail.

Peter DelRe was arrested for driving an automobile in an erratic manner in the residential district and passed the night in jail to sober up. Judge Gildersleeve fined him $50 the following morning and suspended his license for six months.

Tax Collector and Mrs. Geo. W. Davis and Miss Phyllis Davis were at Stanford last week when Miss Bette Davis graduated. The latter majored in journalism.

John C. Colburn, District Manager of the Pacific Trucking Co., was here from San Francisco yesterday.

Sidelights of Sadness

Being incidents connected with California's State Prisons as observed by A. R. O'Brien, editor of The Republican Press, who is the chairman of State Board of Prisons of California.

A DEATH CELL STORY NEVER RECORDED

He was California's most vicious killer and, since that Friday in October when he tumbled through the trap off the gallows there has been a mystery about him and I knew there was only one man who could tell me an incident of a very startling nature which happened to the murderer while he was in condemned row at San Quentin in October, 1928. Accordingly when, quite unexpectedly, I chanced to run upon that man in San Francisco the other evening and he accepted an invitation to dine with me, I welcomed the opportunity that presented itself to learn the truth about a happening which, according to my mind, indicated there was no depth to which this fiend, who so shockingly offended society, was not willing to go.

I must tell you now the man about whom I write was not, as so many stories have insisted he was, a native of California. He came from Arkansas. Also I would here tell you he did not take one human life—He is known to have been a threefold murderer. He was, at the time he was executed, but 20 years of age. The monster who so richly deserved the execution he suffered was William Edward Hickman. He killed and dismembered a little Los Angeles girl, made a demand on her father for $1500 and, as the father of the child met him by appointment on a Los Angeles street and delivered the ransom money, Hickman from his car, dropped a bundle at the feet of the agonized parent and drove away. When the bundle was opened it was found to contain the torso and other portions of the child. The serial number of the bills had been taken and, when the revolting crime was broadcast, the numbers on the currency were given out. A clerk in a store at Seattle detected one of the bills when it was presented and furnished a description of the man who had given it to him. A friend of mine, then a deputy sheriff at Pendleton, saw a car with a California license on a road in eastern Oregon and, approaching it, encountered a youth with a rifle on his seat. The deputy covered the stranger, took him to jail and he was identified as Hickman. His arrest, trial and execution followed promptly. It developed Hickman murdered a man in Kansas, shot to death a druggist at Riverside and killed the little Los Angeles girl. In court Hickman tried to sham insanity, but failed.

He was brought to San Quentin and placed in condemned row. He was celling with another man, also a girl killer but not with the fiendish features surrounding the Hickman atrocity. As the date of Hickman's execution approached he grew intensely nervous and, one night he tried to kill his cellmate with a stool, but the death watch, hearing the commotion, got to the cell in time to break up the attack before a fatality occurred.

That fight in the cell went down in prison history as a battle between two convicts, but the man with whom I dined last week told me the truth about the affair. It is a feature of Hickman's character that never has been told. It will illustrate the infamous nature of the beast.

Hickman waited until his cellmate was asleep and then he began to beat him about the head with the stool. The would-be murderer was actuated solely by a belief, if he killed the man, he would have been able to convince the court he was insane—He was willing to murder his fourth victim to try to evade the noose and be sent to an insane asylum.

THE CONVENT'S COMMENCEMENT

Graduation Is Marked By Play, Address And Diplomas

Graduation exercises of the Albertinum School were held in the school auditorium Thursday evening. A brief program was enjoyed. The playlet, "Fair Exchange," given by Prof. John Boyle's dramatic students, was the principal feature on the program.

Gave The Address.

Rev. Father A. Sharkey was scheduled to give the address but being unavoidably detained, Rev. Father R. Quinn delivered a very appropriate exhortation to the graduates, emphasizing loyalty to their Alma Mater and a proper adjustment to their future career. It is always gratifying to witness the success and final awards to graduates, but the ceremony carries with it a note of sadness because of the separation of teachers and pupils.

Received Diplomas.

The following pupils completed the course of studies prescribed for the high school department: Raymond Ashby, Joseph Luiz, Eugene Moyers and Frank Salazar. Certificates of graduation were awarded to the following pupils of the grammar school department: Betty Cox, Audrey Faas, Catherine Hill, Mary Jerrick, Betty Sullivan, Joyce Sullivan, George Luiz, Martin Foley, Lucas Lanosga, Randolph Lanosga, Thomas Leitch and Joseph Vales.

NOTE IS UNPAID

Robin F. Bauer has filed suit for judgment on a promissory note for $650, made July 22, 1935, by Mr. and Mrs. Kenneth Lovell for money advanced. Including accrued interest, $716 is claimed due.

MANY BLACKBERRIES

LUMBER FIRM FACING A SUIT

Jackson Valley Millmen Overlooked A Payroll Tax

The first legal action taken against a Mendocino county employer under the Unemployment Reserves Act was filed last week by the state commission against C. A. Steele and Homer Helm, both as individuals and as the co-partnership of Steele & Helm Lumber Company.

Centributed Nothing.

Suit is brought for $709.78, which the commission claims is due on a total payroll of $358,607.78 from January 1, 1936, to June 30, 1938. Interest at 12 per cent and costs of prosecuting the action are asked by the complaint.

Jackson Valley Mill.

The Steele & Helm mill is located in the south end of Jackson Valley, about five miles west of Laytonville and has a capacity of 20,000 feet per day. Mr. Steele, it is understood, does not belong to the partnership now.

Confessed Theft —Asks Probation

Rudolph Sallinen, held for theft of a number of articles from Phil Arthur's garage at Caspar, pleaded guilty when arraigned in superior court Friday. Attorney Henry C. Spurr was appointed by the court as counsel for the prisoner and after a conference a petition for probation was presented. The matter is set for hearing next Friday, when Probation Officer Scott's report will be made.

will reside in Richmond this summer where Mr. Perkins is assistant minister of the First Presbyterian church. In September they will resume studies at the Seminary. Mr. Perkins is studying for the Ministry and Mrs. Perkins will receive her Master's Degree in religious education.

And Then It Snowed.

Wyoming and Montana are talking of their near freezing in June — until Thursday we had been thinking of those states as a good place to cool off—but Thursday brought moisture and cold winds to this area, Friday showers continued and fresh snow can be seen on the high mountains. Saturday morning a light frost brought out the winter blankets that had been stored for the summer.

Was Buried Tuesday.

Funeral services were held Tuesday afternoon from the Federated church for Olive Henrietta Fish, who passed peacefully into eternal rest Sunday morning. Born in Uniontown, Eldorado county, January 9, 1863, Olive Begley came to Round Valley with her parents when but three years of age. The Begleys were among the first white settlers in the valley, coming over the highest coast range mountains, blazing their way as they traveled. It was the hard way, but happy days for those pioneers. The "Devil's Jumpoff" was appropriately named by Mrs. Fish's father. Christmas of 1881 Olive Begley was married to Cornelius W. Fish and their entire life was passed in Covelo. To this couple four children were born — Mrs. Arthur Jeans, of Mad River, Cornelius Granville, Mrs. Frank Short and Marly Violet who died in infancy. Mrs. Fish was the last survivor of a family of seven children. Her husband preceded her in death June 11, 1931, just six months prior to their golden wedding anniversary.

Deceased was a member of the Baptist church and a more genuine Christian could not be found in Covelo. In privacy she read and studied her Bible and prayed. She was not the type to join in social affairs, but passed her life in the home, devoting her every hour to her family. Enough praise for this beloved wife, mother and neighbor cannot be given. The secret of her life might be expressed thusly:

"Question not, but live and labor
Till your goal be won,
Helping every feeble neighbor,
Seeking help from none;
Life is mostly froth and bubble,
Two things stand like stone—
Kindness in another's trouble,
Courage in our own."

To rest by her husband's side interment was in Masonic cemetery. Rev. C. H. Pedersen officiated, Mesdames Frank Johnson and Chas. Lovell sang her favorite hymns, "Jesus, Lover Of My Soul," "The Lord Is My Shepherd," "I Need Thee Every Hour" and "Rock Of Ages," accompanied by Mrs. G. R. Redwine. Active pallbearers were M. E. Gravier, Gavin Hurt, Clyde Riffe, A. N. Moore, Walter Winters and G. R. Redwine. Honorary pallbearers were Jas. O'Ferrall, G. H. Ells, Rush Anderson, J. G. Short, E. A. Gravier and D. P. English.

Grandchildren who came for the last rites were Mrs. Edwin Hart, Claude Jeans, San Francisco, Mrs. Lester Skelley, Hopland, Harold Jeans, Martinez, Ivan Jeans, Mad River. Others were Arthur Jeans, Mad River, and Mrs. C. Jeans, San Francisco.

In Memoriam.

A wonderful wife, mother and aid,
One who was better, God never made;
A wonderful worker, so loyal and true,
One in a million—that one was you.

A Happy Couple.

Newest addition to the future young set is Janet Lovina Gray, born June 11 at Howard Memorial Hospital, weighing eight pounds and two ounces. Proud parents are Mr. and Mrs. Austin Gray.

Ended Their Visit.

After a week at the Judge G. R. Redwine home, Dr. and Mrs. Marvin Andrews and two children left Saturday for their home in Santa Maria. Wallace Lane will be their guest two weeks.

Attended Funeral.

Mrs. Gelia Bullerdick, San Francisco, came with her brother, Maybert Lovell of Redwood City, for the funeral of their aunt, Mrs. C. W. Fish. They were overnight guests at the Lon B. English home and it is always a pleasure to greet these former Coveloites.

Down From Juneau.

Arriving from Juneau, Alaska, to pass the summer with her parents, Mr. and Mrs. M. D. Rhodes, Mrs. Hugh Coke is being greeted by her many friends.

Mr. and Mrs. Merrill Reed, of Mina, chose Father's Day to be guests in the E. B. Ryan home at Garberville.

Is To Graduate.

Jack Kelly will be one of the graduates at the Fortuna high school this week. He is a grandson of Mr. and Mrs. Wm. Kelly and has made his home with them since the broken romance of his parents years ago.

Going To Auburn.

Mr. and Mrs. L. E. Skelley and two children are moving from Hopland to Auburn, 30 miles east of Sacramento. Mr. Skelley has been a popular teacher in the Hopland high school, but has secured a better position as music instructor in the Auburn Junior College. Mrs. Skelley was here Tuesday for the final rites of her grandmother, Mrs. C. W. Fish.

He Went Fishing.

Mr. and Mrs. George Phillips and two children, of Ukiah, were weekend guests at the Lee O'Ferrall mountain home. Mr. Phillips passed his time fishing.

Change For Summer.

Mr. and Mrs. Clifford Johnstone have moved into town from Dos Rios for the summer months. Mr. Johnstone chauffeurs the Dos Rios school bus.

Married In Ukiah.

An 11 o'clock wedding in the home of Dr. R. A. Van der Las, Ukiah, Friday morning, June 9, united Miss Clara Jean Lovell and Graydon Finfrock. The bride wore a crisp white embroidered organdy dress and her only attendant was her chum the attractive Miss Imogene Lovejoy. For their honeymoon the bride and groom enjoyed a trip through the famous Redwoods and Parks. On returning they are at home in a cottage on Lovell street, which had been made ready for their occupancy.

Had A Party.

Clois Long, cute young son of Mr. and Mrs. Loren Long, just celebrated his third birthday. It was his first party and he was so excited over the pretty cake his mother placed before him, the gifts and ice cream which he shared with his little guests. The grandmothers, Mrs. Bert Kennedy, of Oakland ,and Mrs. Henry Long, enjoyed the afternoon, too.

Took In The Fair.

After passing a month in her old home caring for her mother, Mrs. Arthur Jeans returned to Mad River Wednesday with her son, Ivan, who is on patrol duty in the Trinity Forest. Coaxing their father, Arthur Jeans, to return to San Francisco with them —his husky son would not take "No" for an answer—resulting in an unexpected vacation for Mr. Jeans.

Got Many Fish.

Frank Clark and Wm. Godman, of Santa Rosa, had good luck during the week trout-fishing in mountain streams and were houseguests of Mr. and Mrs. Merrill D. Reed.

On a two weeks' vacation, Mr. and Mrs. Everett Goforth and small daughter, of Talmage, are visiting Mr. and Mrs. L. B. English.

Entertains Houseguests.

Houseguests for 10 days in the Dr. J. E. Mooy home are Mr. and Mrs. W. E. Barr, Los Angeles, Mrs. Martha Simmerman and Miss Betty Simmerman of Lorna Linda. The two matrons are aunts of Dr. Mooy.

Had Fine Time.

Off for a two weeks' vacation, Mr. and Mrs. Bert Kennedy, of Oakland, have been guests in the Loren Long and Jack Lovell homes. Mr. Kennedy was provided with fine trout fishing at the L. K. O'Ferrall's. Continuing their trip up Redwood Highway the couple left Wednesday.

Were At Wedding.

Motoring to Santa Rosa for the Perkins-Haldeman wedding on Saturday, Mr. and Mrs. Cecil Williamson took this opportunity of passing a few days in San Francisco and seeing the Exposition. Mrs. Chas. Lovell is being highly entertained during her daughter's absence, caring for her vivacious granddaughter.

No Summer Shows.

Bob Storie, who operates the talkies here for E. C. Taylor of Ferndale, was delighted in receiving an offer to have charge of Mr. Taylor's show house at Monte Rio, and Mr. Storie, a recent high school graduate, left for the popular resort Monday. The movies will be discontinued during the summer vacation here.

SAN QUENTIN DOCTOR CALLS

Famous "Chief Croaker" Visits Friend Enroute North

Dr. Leo L. Stanley and Mrs. Stanley were in town recently while enroute to Seattle where they will take a boat for Alaska. Dr. and Mrs. Stanley stopped here a short time to visit Mr. and Mrs. A. R. O'Brien and, upon leaving took letters of introduction to prominent people in Alaska from Mr. O'Brien, the latter having lived in the northern country a number of years.

A Famous Surgeon.

Dr. Stanley is famous everywhere as "Chief Croaker" of the world's greatest prison, a nickname given him by San Quentin convicts, yet, despite this designation, the Doctor is a prime favorite with the inmates. HELD B. P. W. C. DINNER AT VICHY SPRINGS

A special dinner meeting of Business and Professional Women's Clubs was held at Vichy Springs Thursday evening, Mrs. Ardis Roberts, newly installed president, and her supporting officers being seated at the head table. It was announced the charter had been received signifying formal acceptance of the local club into the National Federation, a letter of greeting from National President Earline White accompanying it. The meeting pulsed with a certain new vitality as transfusion of strength and interest from arteries of the federated group flowed into the local unit.

The large emblem presented Ukiah Club by the Santa Rosa members when they conducted installation exercises here recently, was placed where all might see it as Mrs. Olive E. Busch explained the symbols. The principals involved guide 1500 clubs in the United States, Alaska and the Hawaiian Islands, besides those in 20 European countries, the policy of peace being exemplified by good will tours in Europe.

Mrs. Drusia Harris, junior past president, in whose term of office federation was achieved, reported on the recent state convention at Del Monte, to which she was delegate. In speaking of the Redwood Empire district banquet, attended by 1000, it was stated rhododendrons from this county arrived in splendid condition and were beautifully arranged. The district was further typified by redwood trees in each corner of the banquet hall with masses of fern. Redwood burls and an original drawing of "Dopey" by Walt Disney were at each place, an example of which was passed about at Thursday's meeting.

The Gay Nineties breakfast and other festive occasions were entertainingly described, as well as accounts of business sessions. Ukiah members were reminded the district convention will be here in October, and the next state convention will be in Sacramento.

Mrs. Louise Bernhard reported on the benefit card party for Municipal Band uniforms given by women's service clubs, as netting $78. Attention was drawn to July 22 when there will be B. P. W. C. Day at the Fair. It was reported Mrs. Zella Bartlett was helping to "put Ukiah on the map" through her recent radio broadcast in San Francisco.

There are two district chairmen in the local unit, Mrs. Drusia Harris, legislative chairman, and Mrs. Fern Busch, chairman of the health committee.

President Roberts named standing committees for the ensuing Ukiah club year.

During the dinner hour O. E. Jacobs led the unison singing with accompaniments on his guitar, and presented several delightful vocal solos. Roll call was unusual in that each person introduced the neighbor on her right, and told something about her. Miss Helen Pauli, who the previous Monday had been installed as secretary of the Bakersfield club, was one of the guests.

Tables were centered by charming mixed bouquets from the lovely gardens at Vichy Springs, and godetia blossoms stood primly at each place as favors, planted in chocolate filled nut cups. Mrs. Zella Bartlett, corresponding secretary, was chairman, and assisting her on the committee were Mrs. Bess Eversole, vice-president, Mrs. Ruby Gobalet, secretary, and Miss Ethel Anker, treasurer.

LAKE CABIN PARTY

An informal card party at the lake cabin of Mrs. J. H. Hansen was enjoyed Friday afternoon by Mesdames Earl Ford, Charlotte Collins, Guy Redwine and the hostess. Although it was dull outside, the cabin was delightfully cozy. Other guests of the day were Miss Charlotte Clancy, niece of Mrs. Hansen, and her friend, Robert Gehret, of San Francisco, and the Misses Louise Byrnes, Lorraine Mankins and Henrietta Ford.

JOINS SKETCHING CLASS

Mrs. Guy Redwine left Sunday for Lakeport to join the sketching class of L. P. Latimer, whose beautiful paintings in the lobby of The Palace Hotel are admired by all who see them. Mrs. Redwine has done many charming water color scenes in this county which are highly prized by those possessing them.

NORMA - THURSTON SAILS FOR ALASKA TODAY

Today Miss Norma Thurston, eldest daughter of Postmaster and Mrs. Earl P. Thurston, will embark on The Baranof at Seattle for a holiday jaunt to Alaska, to be gone a month. The inside passage will be taken to Skagway, and thence the trip will be across the Gulf of Alaska to Prince William Sound. Stops will be made at Valdez, Cordova, Seward, Curry and Mt. McKinley National Park.

After a week at Fairbanks, Miss Thurston will visit Miss Myrtle Fleckenstein at Anchorage. The two young ladies were college chums at the University of California. Ketchikan, Juneau, Sitka and Wrangel are among places listed in the itinerary.

Miss Thurston arrived Tuesday evening of last week at the home of her parents. Following the close of school in Bakersfield, where she has been a teacher the past year, Miss Thurston enjoyed an outing at a cattle ranch at Onyx, Kern county, and a sojourn at Hollywood. She came north with Miss Lois Chase, who was on her way to visit Mrs. Alvin Adams at Potter Valley.

FETED ON BIRTHDAY

Miss Elaine James was honored at a surprise party a week ago, when a score of members entertained at a picnic supper in the park at Sacramento, after they had left their duties for the day as staff employes of the Senate. The occasion was the twenty-first birthday of the guest of honor.

Miss James, who is secretary to Senator George M. Biggar of Covelo, and her friend, Miss Frances Etter, secretary to Senator I. T. Quinn, were leaving their offices, when one of their friends offered to drive them and took them to where a sumptuous outdoor supper, including a birthday cake, awaited their arrival.

Mrs. E. J. James, mother of the honoree, went to the capital to greet her daughter on her birthday.

COMPLIMENT TRAVELER

Mrs. William L. Potts, lecturer on travel subjects, was inspiration for a charming gathering at the home of Mrs. Louise Bernhard last evening. Guests who have been abroad recently were invited to meet the honoree, and an entertaining exchange of anecdotes ensued. Mrs. Potts and her husband arrived from Fresno at the home of her sister, Mrs. James E. Scott, Sunday, for a week's stay. Early last spring she lectured at the local Presbyterian church on "Flying from Venice to Budapest," and the year before at the Saturday Afternoon Club about her tour to the South Sea Islands, each time being enthusiastically received.

JOINT CELEBRATION

A dinner party at Oak Grove one evening last week was given in celebration of the twentieth wedding anniversary of Mr. and Mrs. A. H. Hurlock and the twenty-second wedding anniversary of Mr. and Mrs. Fred L. Bosworth, Mr. and Mrs. Ray Walsh and Miss Connie Hurlock, who is home with her parents for the summer following a year's study at Santa Rosa Junior College, were guests. Table decorations were five-finger fern and pink roses, and a wedding cake topped by a dainty arch of silver bells.

TRIP TO MONTANA

Mr. and Mrs. Jack Garret and Miss Wilma Scovill left early Friday morning to drive to Montana. They will visit relatives of Mrs. Garret and Miss Scoville, who are sisters, at the family home near Flathead Lake. Mr. Garret is radio expert and Miss Scoville is bookkeeper for the R. L. O. E. S. DISTRICT RECEPTION OF BESS EVERSOLE

Mrs. Bess Eversole, District Deputy Grand Matron, Order of Eastern Star, was honored by the Ninth District at a reception at Masonic Temple Saturday evening. Kingsley Chapter No. 58, O. E. S., of which she is a member, was hostess unit. Elegance and grace mingled in the program participated in by representatives from the length and breadth of the district.

Past Grand Treasurer Leila Vevoda took her place in the East to welcome members and guests. The escort comprised Mesdames Nina Banker, Genevieve Cox, Bess Jamison, Hilma Hansen, Drusia Harris, Velma Gibson, Miss Grace Toles and Iva Mellis.

Worthy Matron Katherine Martin and Worthy Patron Harold W. Brunner, host and hostess, were escorted to their stations by Marshals Edna Neuhaus and Velma Gibson, following which Mrs. Hilma Hansen escorted the flag.

Entrance of District Deputy Grand Matron Bess Eversole was with a guard of honor in which Mesdames Nina Banker, Genevieve Cox, Bess Jamison and Drusia Harris took part, and who, with the marshals, formed two lines through which the honoree advanced to the East where she was introduced by Worthy Matron Katherine Martin.

Visiting Deputy Grand Matrons Maxine Bell, Healdsburg, and Pauline Boatman, San Francisco, retired and were escorted to their stations, followed by Past Grand Matrons Grace Richardson Butterfield, San Francisco, and Minnie Seymour, San Rafael, and Past Grand Patron E. G. Counter, San Francisco. Mrs. Leila Vevoda was escorted and introduced as Past Grand Treasurer. Visiting Worthy Matrons were Virgie Green, Fort Bragg, and Darlene Bishop, Point Arena, accompanied by Worthy Patron Frank Myland, of Point Arena. A large number of Past Matrons and Past Patrons were escorted in and, after ascending the dais in the East, introduced themselves. After Past Grand Ruth Nina Banker completed the list of those introduced, Worthy Matron Katherine Martin turned the gavel over to Worthy Patron Harold Brunner, who presided during the program.

All District officers retired to return with a gift for presentation to the honoree, whose son, Walter Eversole, appeared in artist's smock and cap to place a beautiful picture on an easel. The scene depicted was of Duncan Peak, south of Hopland, and was the work of Mrs. Bertha Emery, talented and beloved artist of the community. Officers filed before the canvas, palette and brush in hand, each seeming to make a brush stroke as though adding his or her tribute as an addition to the picture. Musical accompaniment was an appropriate vocal solo by Mrs. Margaret Byrnes with Mrs. Ardis Conoly at the piano. Worthy Matron Katherine Martin made the presentation speech as Walter Eversole placed the gift in the hands of his mother.

Songs by Mrs. Ernestine Gibson Davis, accompanied by Mrs. Edna Holliday, preceded presentation to Mrs. Eversole of a lovely pendant emblematic of her year as Deputy Grand Matron, gift from her husband, Edward A. Eversole, and her son, Walter Eversole. A number of other gifts were also received. The honored guest gave her response to the address on behalf of the donors followed by words of appreciation to the chapter and to the district for the reception.

Completing the program was a song, "Friend of Mine," by L. Layman, of Reno, with accompaniments by Mrs. Layman; "Joy of Life," sung by Everett Foster, of Santa Rosa, accompanied by Mrs. Foster; messages from visiting Past Grand Officers, including Mrs. Butterfield, who was Worthy Grand Matron during Mrs. Eversole's term as Worthy Matron; and a Spanish dance by Kathleen Davis, to accompaniment by Mrs. Ardis Conoly.

Two hours of dancing followed formalities and refreshments were served in the banquet hall at tables adorned with bowls of pansies. Decorations in the main hall were huge baskets of red hot pokers against the rich blue velvet hangings, and colorful arrangements of gladioli and stock. The hues made a charming background for the white formal gowns worn by a majority of ladies of the order, and blended with the beautiful orange lace dress of Mrs. Eversole, who carried talisman roses and delphinium and wore a corsage of orchids and lilies of the valley, and with the lovely blue gown of Mrs. Vevoda.

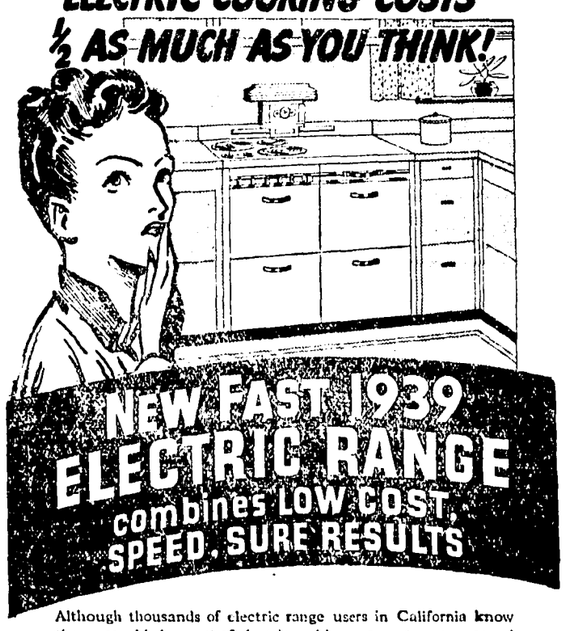
ELECTRIC COOKING COSTS ½ AS MUCH AS YOU THINK!



Although thousands of electric range users in California know the reasonable low cost of electric cooking, a recent survey proved that guesses of those who did not know—averaged *twice* the actual cost.

Electric cooking is really economical cooking. Present low electric rates, highly perfected new heating elements in modern electric ranges, heavily insulated ovens that conserve heat, exact heat measurement at the snap of a switch which keeps current use down to a minimum—all contribute to the low cost of electric range operation.

Have you guessed an electric range is SLOW? — *Guess again.* All of the 1939 Electric Ranges are completely equipped with Speed Units. These Speed Units are so fast and so intensely hot you will only use them for brief High Heat cooking periods. Most of your cooking will be done on money-saving Low Heat.

Have you guessed that electric cooking is DIFFICULT? — *Guess again.* Electric ranges simplify cooking because of the miraculous automatic controls. Oven meals almost cook themselves.

Have you guessed that electric cooking is EXPENSIVE? — *Guess again.* Electric Cooking costs have been dropping steadily downward. One reason is that the electric rate for cooking is now very low. Another reason is that the NEW Electric Ranges use much less electricity. $2.58 is the average monthly cost for cooking with 42,000 electric range users.

Come in today and see the new 1939 Electric Ranges. Prices are low and purchase terms exceptionally easy.

Russian Gulch May Get Bridge Shortly

It seems reasonably certain a contract will be let for a new bridge at Russian Gulch this summer. Statements to this effect have been heard some time. Something like $150,000 has been allocated for this work. The bridge will be built at the mouth of the gulch some distance west of the present structure and probably will have a straight approach at both ends. It is estimated the work will require the better part of a year.

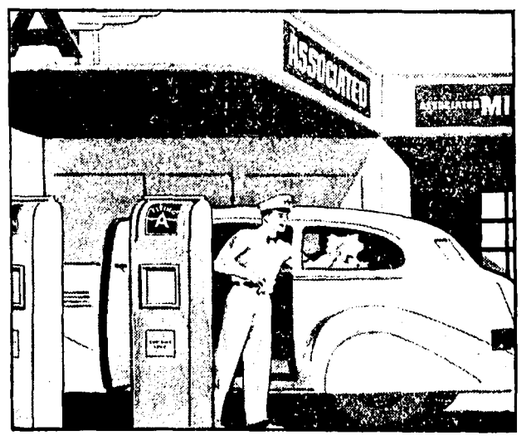
I'M GLAD I GOT MAD

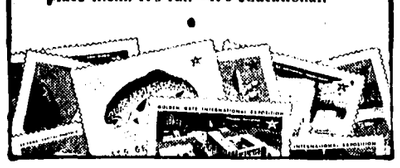


"Somewhere the children had found a piece of chocolate. Before I knew what happened the car was a mess. I lost my temper. I swung into the first service station and actually yanked Mary and Jim out of the car.

"I guess I created a bit of a scene because by the time I was through cleaning up the children (in the comfort station) the dealer had cleaned all the glass and was doing his best to clean the upholstery. That's how I discovered Associated service. And that's why I'm glad I got mad . . ."

I FOUND THE KIND OF SERVICE THE WHOLE FAMILY LIKES

100 ASSOCIATED STAMPS!
The new series of Associated Roads to Romance Stamps of the West is now being distributed by Smiling Associated Dealers. You may collect 100 fascinating subjects and a free Stamp Book in which to place them. It's fun—it's educational.



"I don't fuss about the windows any more. Dad doesn't worry about lubrication, the boys at the station keep a careful record of the things the car needs and when it needs them. The children are stamp collecting—and happy. When a family meeting place is needed it's—'meet you at the service station.' When our friends are driving down to see us for the first time it's—'ask the boys at the Associated Station.' We have *our* station and we like it."

Yes, the whole family finds values in friendly Associated service—especially when the gas and oil that this "service" puts in the tank and the crankcase makes the family car run better.

You'll find that an important part of Smiling Associated Service is Flying A and Aviation Ethyl gasolines, Veedol and Tydol Motor Oils.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength.

Other signs of kidney or bladder disorder may be burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use *Doan's Pills*. *Doan's* have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. *Ask your neighbor!*

The Prof. an' I speak the same language

There's one thing I like about this business—you never know who's comin' in next. But I never before met one like ol' Prof. Wright from over at the University—he's a *whizz*.

"Professor," I says, while fillin' his tank with Super-Shell, "this Golden Shell Oil cuts engine wear where most of it happens—on cold starts."

"Ah," says he, "high fluidity at low temperature; I take it—or to put it more simply, an accelerated velocity of flow from the reservoir to the reciprocating and revolving parts."

"Which?" (I gulp a little.)

"Yes, yes—I remember reading all the details recently—one of your research people reporting to a scientific journal, I think."

"You mean you already *know* Golden Shell is *fast-flowin'*? You *know* how it gets up into the engine *quick* when you start your motor?"

"Quite," answers the Prof., "and I seem to recall the mention of certain economies . . ."

"Oh, you mean the price? Well, it's only 25¢ a quart, Professor." (I'm gettin' more confident now.)

"Then, under the circumstances, I feel, as my students say, 'I shall *go for it in a big way!*'"

And he went. A complete oil change.

Sincerely,
Your Shell Dealer

Needed Regulation for W. P. A.

By ERIK McKINLEY ERIKSSON
Professor of History, University of Southern California

The legislation reducing the W.P.A. appropriation by $150,000,000 is of great importance because it marks the first time in six years that Congress has dared to defy the President in the matter of relief. Furthermore it is the first legislation which attempts to regulate in any way Federal expenditures for relief. Ever since the New Deal began in 1933, "rubber stamp" Congresses have obediently heeded the President's demands for enormous amounts to be expended as the Executive and his advisers saw fit. The W. P. A. itself, it might be well to recall, owes its existence solely to the President. Congress, the constitutional lawmaking agency, which is supposed to determine the nation's policies, has never directly approved the W. P. A. and its multitude of activities such as the theatre, art, writers' and education projects.

Unquestionably, the action of Congress in cutting the W. P. A. appropriation reflects the sentiments of the great majority of the American people. Nobody wishes to see anyone starve or suffer undue hardship. As long as relief has to be given, the majority apparently favor work relief even though it is more expensive than the dole. But the taxpayers have a right to expect value received for their money. Why should a W. P. A. project cost two or three times as much as it would if carried out by a private contractor with employees receiving regular wages? A growing number of people are convinced that it is because W. P. A. workers are too much afflicted with the notion that the world owes them a living and that there is no need for them to give efficient and honest service. The purpose of work relief is, as the W. P. A. propagandists say, to preserve the morale and skills (if any) of the workers. But how can morale be preserved by the loafing tactics which are so typical of W. P. A. projects?

Congress has made a beginning toward improvement of the W. P. A. in several ways. By prohibiting relief payments to persons who refuse to accept private employment at the prevailing wages of the community, one important source of complaint may be eliminated. Every locality has its quota of persons who have refused to accept employment on farms, in households or in trades because they preferred to remain on W. P. A. Such a condition should never have been permitted. By curbing the political activities of the W. P. A. the national legislature has begun the elimination of one of the worst evils in the organization. Preceding the 1936 and 1938 elections, the political activities of the W. P. A. were notorious.

Congress has also made a start in promoting economy but the fight is not over. No sooner had the President signed the appropriation act than he again demanded in a special message, that an additional $150,000,000 be immediately appropriated for the W. P. A. The lawmakers, however, should be supported in their stand. Let the administration first faithfully administer the amount appropriated before demanding more money. Why not wait to see if there will be any emergency before voting another $150,000,000?
